Dr. Dobson steps down after contributing to the progress of the Company as a Non-Executive Director since 2012, including previously 3 years as the Chair of the Board.

Dr. James Barber, Chair of the Board, commented:

"We are delighted that our search has resulted in Charlean's election to our Board as an independent Non-Executive Director. She brings a very broad background in marketing, operations, and executive management in both B2B and B2C contexts. We are looking forward to working with her as we continue to expand our sales across our existing product lines and bring new, sustainable products to market based on our plant-based ingredient platform.
