

## VELAFRESH® ZP75

Revision number: HCS2012 1.1

Revision date: 15 January 2024

**SECTION 1: Identification of the substance/mixture and of the company/undertaking****Product identifier**

Product name	VELAFRESH® ZP75
Product CAS number	1662663-05-9
Other identification	Butanedioc acid, 2-methylene-, homopolymer, sodium, zinc salt, Poly(itaconic acid, sodium, zinc salt), Poly(sodium, zinc itaconate)

**Relevant identified uses of the substance or mixture and uses advised against**

Recommended use	Odor control, odor reduction, odor neutralizer, air freshener
Uses advised against	No information available

**Details of the supplier of the safety datasheet**

Company	Itaconix Corporation
Address	2 Marin Way, Stratham, NH 03885, USA
Telephone	+1 (603) 775-4400
E-mail	info@itaconix.com

**Emergency Telephone Number**

+1 (603) 775-4400 (Monday – Friday 09:00 – 17:00 US EST)

**SECTION 2: Hazards identification****GHS Classification of the substance or mixture**

Classification (29 CFR 1910.1200)

WARNING: May form combustible dust concentrations in air

**Labeling according to GHS and HCS 2012**

Hazard pictograms (GHS-US):	None required
Signal word (GHS-US):	WARNING
Hazard statement (GHS-US):	May form combustible dust concentrations in air
Precautionary statements (GHS-US):	None required

**Other hazards**

&lt;0.1% of the mixture contains unknown impurities

## VELAFRESH® ZP75

Revision number: HCS2012 1.1

Revision date: 15 January 2024

**SECTION 3: Composition/information on ingredients****Mixtures**

Chemical name	CAS number	Classification	Concentration
Poly(itaconic acid-sodium zinc salt)	1662663-05-9	Combustible dust	~94 wt.%
Water	7732-18-5	None	~5 wt.%
Pentane diol and Phenyl propanol	5343-92-0 122-97-4	None in the mixture	<1 wt.%

**SECTION 4: First aid****Description of first aid measures**

If inhaled                                      If breathed in, move person to fresh air. If respiratory symptoms develop, call a physician.

In case of skin contact                      Flush skin with water.

In case of eye contact                        Rinse immediately with plenty of water and seek medical advice.

If ingested                                        Do not induce vomiting, rinse mouth with water. Call a physician.

First aid responders shall wear standard personal protective equipment (safety glasses, medical examination gloves, dust mask if dust present)

**Most important symptoms and effects, both acute and delayed**

Symptoms                                        None known

**Indication of any immediate medical attention and special treatment needed**

Treatment                                        Treat symptomatically.

**SECTION 5: Firefighting measures****Extinguishing media**

Suitable extinguishing media                Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

**Special hazards arising from the substance or mixture**

Specific hazards during firefighting: decomposition products may be produced such as carbon oxides

# VELAFRESH® ZP75

Revision number: HCS2012 1.1

Revision date: 15 January 2024

## Advice for firefighters

Special protective equipment for firefighters: In the event of fire, wear self-contained breathing apparatus.

## SECTION 6: Accidental release measures

### Personal precautions and protective equipment

Wear suitable protective clothing to avoid contamination, including a OSHA/NIOSH approved dust mask, protective gloves, eye protection, labcoat/overalls, dust mask). Ensure adequate ventilation. Do not inhale dust.

### Environmental precautions

Do not let product enter drains.

### Methods and materials for containment and cleaning up

Use filtered vacuum, broom, or shovel to sweep up and shovel into suitable containers. Dispose of properly. For disposal see Section 13.

## SECTION 7: Handling and storage

### Precautions for safe handling

Normal measures as prevention against fire. Minimize exposure to dust in accordance with good industrial practices. Wear appropriate PPE including an OSHA/NIOSH approved dust mask. Wash hands thoroughly after handling. Do not eat, drink nor smoke in work areas. Wash hands before breaks and at the end of workday.

### Conditions for safe storage

Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed to avoid contamination. Store in a cool place.

## SECTION 8: Exposure controls/personal protection

### Control parameters

Ensure that dust-handling systems (exhaust ducts, etc.) are designed to prevent the escape of dust into the work area. Do not inhale dust.

Contains no substances with occupational exposure limit values (No OSHA PEL and no ACGIH TLV).

### Exposure controls

## VELAFRESH® ZP75

Revision number: HCS2012 1.1

Revision date: 15 January 2024

**Appropriate engineering controls:** Ensure good ventilation. Minimize exposure to dust. If dust is present use an OSHA/NIOSH approved dust mask. Arrange for eye wash (recommended). Handle in accordance with good industrial hygiene and safety practice.

**Personal protective equipment:** Eye and hand protection, dust mask, laboratory lab coat or overalls are recommended.

**Respiratory protection:** If dust is present, wear OSHA/NIOSH approved dust mask.

**Eye/face protection:** Safety glasses with side-shields conforming to OSHA 29 CFR 1910.133, NIOSH (US) or European Standard EN166 are recommended.

**Hand protection:** Handle with gloves. Nitrile or butyl gloves are suitable. Gloves should satisfy the specifications of 29 CFR 1910.138 or European Standard EN 374. Change gloves regularly.

**Skin protection:** Laboratory coat or overalls are recommended.

**Environmental exposure control:** do not release material to drains, ground or surface water.

## SECTION 9: Physical and chemical properties

### Information on basic physical and chemical properties

a) Physical state	Fine powder
b) Color	Yellow
c) Odor and odor threshold	No odor
d) Melting point/freezing point	No data available
e) Boiling point	No data available
f) Flammability (solid, gas)	Not applicable
g) Upper/Lower flammability or explosive limits	No data available
h) Flash point	No data available
h) Evaporation Rate	No data available
i) Auto ignition temperature	No data available
j) Decomposition temperature	No data available
k) pH (10% solution)	7.0-9.5*
l) Kinematic Viscosity	Not applicable
m) Solubility	Highly water soluble
n) Partition coefficient: n-octanol/water	No data available
o) Vapor pressure	No data available
p) Relative Density	No data available
q) Vapor density	No data available
r) Particle size	D50 ~ 50 microns
s) Combustible dust	St 1**
u) Oxidizing properties	No ingredients have these properties

\* Internal test protocol

\*\* additional information is available upon request

## VELAFRESH® ZP75

Revision number: HCS2012 1.1

Revision date: 15 January 2024

**SECTION 10: Stability and reactivity****Reactivity**

Stable product under recommended storage and handling conditions.

**Chemical stability**

Stable product under recommended storage and handling conditions.

**Possibility of hazardous reactions**

Stable product.

**Conditions to avoid**

Avoid temperatures above 90°C.

**Incompatible materials**

Avoid strong oxidizing agents.

**Hazardous decomposition products**

Hazardous decomposition products may be formed under fire conditions such as carbon oxides and zinc oxide. May form combustible dust concentrations in air.

**SECTION 11: Toxicological information****Information on toxicological effects**

Some data available on mixture. Where not tested, data derived from or based on individual components are shown below:

(a) acute oral toxicity	Category 4 (Non-regulated in-vitro cytotoxicity test on ) : [300-2000 mg/L].
(b) skin corrosion/irritation	Not expected to be a skin irritant (OECD 439).
(c) serious eye damage/irritation	Not expected to be an eye irritant (OECD 492).
(d) respiratory or skin sensitization	Not expected to be a skin sensitizer (HRIPT).
(e) germ cell mutagenicity	Not expected to be mutagenic (OECD 471).
(f) carcinogenicity	Not tested, but not expected to be carcinogenic based on available data (OECD 471).
(g) reproductive toxicity	No data available.
(h) STOT-single exposure	No data available.
(i) STOT-repeated exposure	No data available.
(j) aspiration hazard	No data available.

**Likely routes of exposure:** Contact with skin and eyes, and inhalation of dust.

## VELAFRESH® ZP75

Revision number: HCS2012 1.1

Revision date: 15 January 2024

**Information on other hazards**

None known.

**SECTION 12: Ecological information****Toxicity**

OECD 201: Algae growth ErC50 = 6.7 mg/l (72 hr), EyC50 = 2.3 mg/L (72 hr)

OECD 202: Daphnia growth EC50 &gt; 27 mg/l (48hr), NOEC &gt;27 mg/L (48 hr)

OECD 249: Fish Cell EC50 = 120 mg/l (24hr)

**Persistence and degradability**

No data available.

**Bio accumulative potential**

No data available.

**Mobility in soil**

No data available.

**PBT and vPvB assessment**

This substance/mixture contains no known components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB).

**Endocrine disrupting properties**

None known.

**Other adverse effects**

None known.

**SECTION 13: Disposal considerations****Waste treatment methods**

**Product:** Dispose of in accordance with local, state and federal regulations. Local regulations may be more stringent than regional or national requirements. Treat as non-hazardous waste. Contact a licensed professional waste disposal service to dispose of this material. Avoid release to the environment, avoid disposal to sewer.

**Contaminated packaging:** Dispose of as unused product.

## VELAFRESH® ZP75

Revision number: HCS2012 1.1

Revision date: 15 January 2024

**SECTION 14: Transportation information**

UN number	Not regulated
UN proper shipping name	Not regulated
Transport hazard class(es)	Not regulated
Packing group	Not regulated
Environmental hazards	Not regulated
Transport in bulk (according to Annex II of MARPOL 73/78 and the IBC Code)	Not applicable
Special precautions for user	Not regulated

**SECTION 15: Regulatory information****Safety, health and environmental regulations/legislation for the mixture**

The components of this product are reported in the following inventories:

EU-REACH            Polymer exemption. All the raw materials above 2 wt.% are registered by Itaconix or by its suppliers.

US-EPA                All chemical substances in this product are listed on the TSCA Inventory.

**California Prop. 65**

This product does not contain any chemicals known to the State of California to cause cancer, birth, or any other reproductive defects.

**SECTION 16: Other information**

Hazardous Material Information (HMIS)		National Fire Protection Association (NFPA)	
Health	0	0	Health
Flammability	0	0	Fire
Physical	1	1	Instability
Personal Protection	B		NA

Health	4 Deadly	3 Extreme Danger	2 Dangerous	1 Slight hazard	0 No hazard
Flammability/Fire	4 < 73 °F	3 < 100 °F	2 < 200 °F	1 >200 °F	0 Will not burn
Physical/Instability	4 - May detonate	3 Explosive	2 Unstable	1 Normally stable	0 Stable

Revision number	HCS2012 1.1
Revision date	15 January 2024
Supersedes Version	1.0
Nature of revision	Corrected values for aquatic toxicity to reflect active concentration

This SDS is based on HCS 2012 GHS 29 CFR 1910.1200
